Sir:

Pursuant to MPEP §605.04(b), Applicants hereby notify the U.S. Patent and Trademark Office of a typographical error in the Declaration and Power of Attorney filed on February 4, 1999.

Applicants respectfully request the Patent Office to correct its files to change the first inventor's name from "MORI" to --MOURI--, as correctly indicated by the signature of the first inventor. Because this is a typographical error, no petition is needed.

If there are any questions regarding this Notification or this application in general, a telephone call to the undersigned would be appreciated since this should expedite the prosecution of the application for all concerned.

Respectfully submitted,
